A Warm? 🙄 greeting from your family at Brialee,

Just a note, the weather has been so bad, a few Dura-Bilt roofs have collapsed. If your roof has collapsed and need a quote to submit to your insurance company, call my cell phone and I will work directly with you and them to put up a new roof of your choosing, 860-377-5185. If anyone that does not have a Dura-Bilt and would like one, also do not hesitate to contact me.

We wanted to open March 1st, that's tomorrow. I will have the roads plowed by tomorrow, although passage may be a bit difficult and muddy in the very near future. As soon as I see fit, I will be opening our main bathhouse. When is fit? When you have much less snow on your site and can actually "camp." It has been asked if campers can snow blow their site. Yikes, never thought I'd be writing that.... Yes you can do what you need to do to get down to the earth. 🤔

I recently visited my mother and Paul in Florida, they are doing exceptionally well. They are actually heading on a bridge cruise next month. If anyone wants to say "hi" to them, my mother's email address is abs125ct@aol.com. They will be returning the first month of April.

Anyone paying with your tax refund, hopefully you have already filed and will not wait until the dreaded April 15th deadly deadline.

I am currently looking for a head maintenance person, year round position, salary based on experience. If you or anyone you may know is interested, please send a resume to my email address listed below. Other positions available, kitchen cook & staff, office clerks and general maintenance workers (not much experience needed).

If anyone has any questions just email them to brialeeinc@hotmail.com and I will answer them and include the answers in a list to be sent out to everyone, just in case anyone else may be asking the same question. Please refer all questions to Brian from this point forward. Thank God, winter is almost over.

Respectfully,

Brian
